About The Sunflower Fund

The Sunflower Fund is a donor recruitment centre and stem cell registry that is part of a global network, dedicated to creating awareness about blood diseases and stem cell donation, recruiting blood stem cell donors and maintaining a registry of committed donors.

The Sunflower Fund pays for the cost of the tissue-type testing. This is fundamental to saving the lives of South Africans who need a stem cell transplant.

The chance of finding a matching donor is 1 in 100,000 – and as ethnic origin plays a significant role in the search for a donor, South Africa's rainbow nation is at a distinct disadvantage, requiring a large pool of prospective donors.

Should you wish to become a donor, support one of the fundraising projects or make a financial contribution, please contact The Sunflower Fund on the toll-free number: 0800 12 10 82 or via
