**THE SUNFLOWER FUND ANNOUNCES VIRTUAL COMPETITION WINNERS**

The Sunflower Fund's exciting national virtual cooking masterclass competition has come to an end and three fabulous winners have been selected through a lucky draw. The Sunflower Fund has crowned Camilla Kuiper from Cape Town as the first prize winner of our virtual competition, winning a one-on-one virtual cooking masterclass experience with Chef Jonno Proudfoot, worth R10 000.00.

Chef Jonno Proudfoot, co-author of the highly successful book, "The Real Meal Revolution" will prepare one of his specialty meals with Camilla, guiding her step by step to prepare a deliciously healthy, low carb sirloin steak with Bernaise sauce, served with outrageous potatoes and seasonal vegetables on the side.

Two additional prizes were also selected. Kim Wilson from Cape Town was announced as the winner of the second prize, a 12-week online banting course valued at R1200. Nick Green from Johannesburg was the winner of the third prize, two autographed books valued at R700: "Raising Super Heroes" and "Low Carb Cooking".

The Sunflower Fund would like to congratulate all three lucky winners and extend a huge thanks to all entrants for their support in helping us save lives through this great initiative.

The Sunflower Fund is a donor recruitment centre and stem cell registry for Africa. They fight blood diseases like leukaemia through the recruitment of stem cell donors and maintaining a registry of potential donors committed to helping anyone in need of a life-saving stem cell transplant. Funds raised from this event will enable The Sunflower Fund to cover the cost of education and awareness about the need for and the process to become a blood stem cell donor, as well as to cover the cost of the HLA tissue –typing test involved in the recruitment of donors.

Help The Sunflower Fund save lives by registering as a potential donor or making a financial donation. For more information visit [www.sunflowerfund.org](http://www.sunflowerfund.org)

## About The Sunflower Fund

The Sunflower Fund is a donor recruitment centre and stem cell registry that is part of a global network, dedicated to creating awareness about blood diseases and stem cell donation, recruiting blood stem cell donors and maintaining a registry of committed donors.

The Sunflower Fund pays for the cost of the tissue-type testing. This is fundamental to saving the lives of South Africans who need a stem cell transplant. The chance of finding a matching donor is 1 in 100,000 – and as ethnic origin plays a significant role in the search for a donor, South Africa's rainbow nation is at a distinct disadvantage, requiring a large pool of prospective donors.

Should you wish to become a donor, support one of the fundraising projects or make a financial contribution, please contact The Sunflower Fund on toll-free number: 0800 12 10 82. Visit [www.sunflowerfund.org.za](http://www.sunflowerfund.org.za) to learn more or look out for the DONATE button to make a cash donation via the website.
